Shri. Govind Gaude

Chairman,

Kala Academy

**Goa and Minister for Art & Culture, Sports & RDA
Govt. of Goa.**

It gives me immense pleasure to reach out to the Bachelor in Performing Arts (Theatre) aspirants at Kala Academy College of Theatre Arts. Kala Academy is the premier performing arts institution in the state of Goa. Goa was the first state to have its cultural policy. The theatre has been an integral part of the development of cultures in society. It is also an agency of human development and emancipation. Integrating the theatre art curriculum into the University ecosystem was a long pending dream. In all aspects, our courses have been affiliated with Goa University following NEP. Campus life is vibrant with a challenging curriculum and interactions with the theatre fraternity of India. Kala Academy's Theatre Art College is emerging as a centre of prominence in art education and practice. I wish you all the best, and make learning a memorable experience.

Prof. (Dr.) Rajay Pawar

Principal

Kala Academy Goa's College of Theatre Arts

A warm welcome to the CTA family where 'Every One Matters'. I am delighted to introduce KAG's College of Theatre Arts to our aspiring students. As you navigate your way through the site discovering what we have to offer, you will find answers to the many preliminary questions you may have about our college and our academic programme.

As the Principal of this College, I feel honoured and privileged to be part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers, parents & staff.

I believe in upholding high standards with an absolute commitment to strive to understand and improve the educational process, using team strategies, while wholly centering on student achievement. We look forward to working together to achieve great things in the field of theatre.

Our staff fruitfully employs two diverse strategies that are of Love and Logic to foster a positive learning environment for all our students. Love and Logic may seem like two contrasting forces.

While love helps nurture trusting relationships, where students feel respected, appreciated and loved by the teachers, logic helps develop in students' personal responsibility, self-control, good decision-making skills, self-confidence and character building with high moral values.

Whilst we know that the information here will give you answers to some of your questions, we also know that learning is social and, in this context, we encourage you to come and speak to us in person for a more detailed perspective. I look forward to working with you as we help create a campus where parents are welcome at any time, students are engaged in meaningful learning and the staff members are valued and appreciated for their efforts.

Our college offers enrichment through various activities and events during the academic calendar. The well-being of our students is paramount and we place great emphasis on building knowledge terminus along with personal growth and self-discovery.

Through our newly designed and NEP based curriculum, we are sure, students will be well nurtured with respect to all aspects of theatre and will be offered opportunities to showcase their theatrical talents through play productions and stage performances.

I especially want all of our students to aspire to be the best that they possibly can and be committed to the college and its ethos.

Before concluding, I would like to extend my gratitude to the Chairman of Kala Academy Goa, Shri. Govind Gaude, the Hon'ble Minister for Art & Culture, for his unconditional support, Member Secretary of Kala Academy Shri. Arvind Khutkar, other officers and staff of Kala Academy Goa, along with the teaching & non-teaching staff of this college for their enthusiastic commitment.

The dynamic combination of our professional educators, dedicated parents and community members ensure that all students achieve beyond their potential and become lifelong learners to ensure their place in the field of Theatre.
